* **Matriculation Fee for New Students:** All first-term degree-seeking students are charged a one-time nonrefundable matriculation fee in the amount of \$500. An invoice for the matriculation fee, including due date, is sent by the admission department. Checks should be made payable to the Savannah College of Art and Design and mailed to the bursar's office.

** **Housing:** Payment of the nonrefundable housing reservation fee in the amount of \$250 is the entering student's first step in signing up for college housing. Students are assigned fall quarter housing based on the date the reservation fee is paid, provided the quarterly housing balance is paid by Aug. 1 and the housing license agreement has been submitted. Payments should be marked "housing fee" and should include the student's name and SCAD

ID number to ensure proper credit. Housing assignments for fall entering students are made in the summer. Once assignments are made, students are notified by postal mail and by e-mail. At that time, assignments and roommate information are also available in MySCAD, the college's intranet.

*** **Meal Plan:** Students residing in Dyson, Oglethorpe, Turner, Turner Annex and Weston houses are required to participate in a full-residential meal plan. The base rate for the full-residential meal plan is \$1,115 per quarter. Students residing in Pulaski House and Boundary Village are not required to have a meal plan but may choose an apartment style meal plan or a full-residential meal plan. Five meal plan options are available. For more information about meal plans, visit www.scad.edu/dining.
