

JIM LIND CITY OF EXILE

The SCAD exhibitions department presents *City of Exile*, a photographic exhibition by SCAD alumnus Jim Lind (B.F.A., photography, 2010). Lind's images depict sparsely populated dark and desolate cinematic scapes wrought with destruction and ruin. As a metaphor for human resilience, Lind's figures emerge from these scenes with physical momentum, or are captured in warm, theatrical light suggesting hopefulness, adaptation and perseverance.
