	Notification
Bomb Threat	Immediately call 911, then SCAD security at 912.525.4500
Death of a Student	Contact the dean of students (912.525.6980) if you become aware of the death of a student.
Death in a Student's Immediate Family	Contact the dean of students office (912.525.6980) if you become aware of a death in a student's immediate family.
Emotional Emergency	During business hours, immediately refer the situation to a counseling and student support services counselor (912.525.6971). After business hours, SCAD security should be contacted (912.525.4500). SCAD security will then contact the on-call counselor.
Fire	Immediately activate the fire alarm and call 911, then call SCAD security (912.525.4500) while evacuating the students from the building.
Intruder or Firearm(s) Possession	When any individual is carrying a weapon in public, on campus, or other proximity to campus buildings, university personnel should immediately call the police (911) and SCAD security (912.525.4500). University personnel will not attempt to speak to any person with a weapon.
Medical Emergency	If the student is seriously injured or has a seizure, college personnel should contact 911 and then SCAD Security at 912.525.4500. For minor injuries and/or illness suggest use of the SCAD Minor Illness Clinic or UrgentOne.
Robbery/Assault	Call the police (911), then encourage the student to contact SCAD security (912.525.4500) and the dean of students (912.525.6980).
Sexual Assault/Rape	If any assault and/or rape occurs on campus, and this has been reported to university personnel - if there is imminent danger, contact the police first (911) and then SCAD security at 912.525.4500. Report incident to the dean of students.
Theft	If you are made aware that a student or staff member has had something taken from them, assist that person with contacting SCAD security (912.525.4500) and the police (911).
Missing Student	Contact the office of the dean of students (912.525.6980) to report a student about whom you are concerned or whose whereabouts are unknown.
Hazardous Materials	Call 911, then call director of safety (912.525.8009) to arrange for cleanup response.
