

# Authorization for Parent PLUS Loan

Should a credit be generated by my Parent PLUS Loan and/or any applied payments on my student's account, I authorize SCAD to:

- Issue a refund check to my student within 14 days of the date the credit was created.
- Issue a refund check to me in accordance with the above time frame.

I understand this is a one-time authorization and is valid for subsequent award years during the student's enrollment at SCAD. I may cancel or modify the authorization at any time by submitting an updated form. A cancellation or modification is not retroactive.
