SCAD

HOUSING
GUIDE

WELCOME TO RESIDENCE LIFE

SCAD residence halls offer a variety of living options to help students make the most of their university experience. SCAD residential communities encourage learning outside the classroom, celebrate diversity, and foster social, emotional, intellectual and cultural development.

The offices of admission and residence life help guide students through the housing process. First-term students who require assistance may contact the admission department in Atlanta (877.722.3285 or 404.253.2700), in Hong Kong (800.869.7223 or +852.2253.8000) or in Savannah (800.869.7223 or 912.525.5100). Email may be sent to admission@scad.edu.

SCADATLANTAHOUSING

SCAD Atlanta residence halls are located in midtown, a major metropolitan marketplace and hub for business and the arts.

Accommodations are unique regarding size, design, layout and occupancy. Indicated occupancy numbers are approximate. Sample floor plans are intended only to be representative.

All residence halls are smoke-free.

SCAD ATLANTA RESIDENTIAL SERVICES

SAFETY AND SECURITY 404.253.3333

Security staff is on duty 24 hours a day, seven days a week, year-round. SCAD security officers, along with the Atlanta Police Department, provide 24-hour patrol around SCAD Atlanta facilities and work closely with residence life staff to educate students about personal safety. Hand-activated emergency call boxes are strategically located throughout the area and automatically signal a 24-hour security dispatcher when activated. A staff greeter or security officer is posted in each building. Students, faculty and staff are required to present a SCAD ID in order to gain admittance to SCAD Atlanta facilities.

In accordance with Article II of the Student's Right-to-Know and Campus Security Act, SCAD provides a full report of the past year's crimes.

More information regarding SCAD security, including the annual security report, is available at scad.edu/safety or by calling SCAD security at 404.253.3333. Printed copies of the annual security report are available at the SCAD security command center in the main academic building.

PARKING 404.253.3426

Parking is available on SCAD's parking deck at 1600 Peachtree St., and limited parking is available at Spring House. All students who park or use a vehicle on SCAD property must register their vehicles. Student parking permits are free and are validated for the academic year (fall through spring). To obtain a permit, students must present a valid SCAD ID. For students residing in ACA House, discounted parking is available at a nearby parking garage. For more information about parking and transportation services at SCAD Atlanta, visit scad.edu/parking or call 404.253.3426.

BICYCLES

Students are encouraged to use bicycles for transportation at SCAD Atlanta and may register them at the SCAD Security office. Bicycles and motorcycles are to be parked in the parking deck only. Bicycles must be secured to the bicycle racks located near the second floor parking deck entrance to the security station. Motorcycles must park in vehicle parking spaces within the deck. Bicycles are governed by the same traffic regulations as motorized vehicles, and riding on sidewalks is prohibited. For more information, call parking services at 404.253.3472.

TRANSPORTATION

SCAD offers free shuttle service to and from SCAD Atlanta academic buildings and residence halls during academic quarters, with daily service Monday through Thursday until 2 a.m. An on-demand shuttle service is available during academic quarters after regular shuttle hours and may be contacted through SCAD Atlanta security at 404.253.3333. A limited weekend route is available between open SCAD Atlanta buildings and residence halls, Friday through Sunday, 9 a.m. to 9 p.m. A weekend shopping shuttle also runs between residence halls and Atlantic Station, which includes Target, Publix grocery store, movie theater, restaurants and other popular stores. For more information about SCAD's bus system, visit scad.edu/buses. (Schedules are available to enrolled students through MySCAD.)

The Metropolitan Atlanta Rapid Transit Authority (MARTA) provides rail and bus service in the Atlanta area to local shopping centers, the airport and SCAD Atlanta. MARTA passes are available for purchase at a monthly rate from the SCAD Card office. The monthly pass, along with a current SCAD ID, provides access to unlimited travel on MARTA trains and buses. MARTA stations are located within walking distance of ACA House and the main SCAD Atlanta building. For more information, contact the SCAD Card office at 404.253.3426. For more information about MARTA, visit itsmarta.com.

MAIL SERVICES

Upon assignment to a residence hall, each student receives an individual postal box for general mail. Mailbox keys and box assignments are distributed during orientation. For more information about mailbox assignments or key distribution, contact mail services at 404.253.3252.

Students may receive packages or overnight deliveries at the postal services office at SCAD Atlanta, 1600 Peachtree St., Atlanta, GA 30309. Students are notified electronically at their SCAD student email address when packages arrive. Pickup hours are posted each quarter. The general number is 404.253.3252.

Mail should be addressed as follows:

SCAD HONG KONG RESIDENTIAL SERVICES

SAFETY AND SECURITY

Security staff is available 24 hours a day, seven days a week, year-round through Hong Kong Gold Coast Management. Hong Kong is considered to be a safe city with frequent police patrols to ensure the safety of residents and visitors.

Students are encouraged to follow the same safety precautions (locking doors, traveling in groups at night, being cautious of surroundings, etc.) as they would in any major city around the world. Students should keep valuables and travel documents in a safe place and maintain photocopies of all IDs and travel documents in a location separate from the originals in case of emergency. In compliance with Hong Kong law, students staying more than 180 days are required to carry a personal identification card at all times. It is recommended that students traveling to an unfamiliar area carry a Chinese translation of the destination with them.

Students, faculty and staff are required to present a SCAD ID in order to gain admittance to SCAD Hong Kong facilities. More information regarding SCAD safety, including the annual security report, is available at scad.edu/safety.

ELECTRICITY

Hong Kong electrical outlets operate on 220 V/50 Hz electrical system, and Type G is the most common outlet. Students bringing electric appliances to Hong Kong will likely need a converter or a transformer of the appropriate wattage. Electronic appliances (computers, printers, etc.) should always be used with a transformer of the appropriate wattage. Most electronic supply stores carry electrical converters and transformers. Consult the product manufacturer for additional information.

TRANSPORTATION

Public transportation and a limited shuttle service are available between the residences and SCAD Hong Kong. The trip is a minimum of 30 minutes depending on traffic.

Hong Kong has one of the most efficient and affordable transportation systems in the world. The subway system, the Mass Transit Railway (MTR), has 10 lines covering all of the major districts in Hong Kong. In addition, an extensive network of buses, minibuses, trams and taxis is available. Most drivers speak English. Regular ferry routes connect Hong Kong Island, Kowloon and the outer islands, in addition to Macau and mainland China.

Widely used in Hong Kong, the Octopus Card is a stored value electronic card accepted for public transportation services and purchases in convenience stores, fast food shops and supermarkets. The Octopus Card is the primary means of payment for travel on the MTR, buses, trams and ferries. Octopus Cards may be purchased from any Customer Service Center in an MTR station. Value can be added to an Octopus Card at an authorized add-value service provider location, including many convenience stores, supermarkets and MTR stations. An Octopus Card can also be linked to a credit card or bank account.

MAIL SERVICES

Students may receive letters and packages at the Hong Kong Gold Coast Residences. Students are asked not to ship packages in advance of arrival since they cannot be stored.

Mail should be addressed as follows:

Student Full Name
Block Number, Floor Number, Flat [A or B]
Gold Coast Residences, Phase II
1 Castle Peak Road, Castle Peak Bay
New Territories, Hong Kong

SCAD SAVANNAH RESIDENTIAL SERVICES

SAFETY AND SECURITY 912.525.4500

Security staff is on duty 24 hours a day, seven days a week, year-round. Officers regularly patrol SCAD facilities and work closely with student services staff to educate the SCAD community about personal safety. Hand-activated call boxes are strategically located throughout the area and automatically signal a 24-hour security dispatcher when activated. The security staff also works in conjunction with the Savannah-Chatham Metropolitan Police to conduct safety programs for students and to educate them about safety precautions they should take as private citizens.

In accordance with Article II of the Student's Right-to-Know and Campus Security Act, SCAD provides a full report of crime incidents for the past year. For more information on the Campus Security Act, call SCAD security at 912.525.4500.

More information about SCAD safety, including the annual security report, is available at scad.edu/safety. Printed copies of the security report are available at the SCAD security office, 345 Bull St.

PARKING 912.525.7275

Due to the historic nature of Savannah, parking is extremely limited on SCAD property. Students are strongly encouraged to utilize the convenient and extensive SCAD transportation system rather than driving their personal vehicles.

All students who park or use a vehicle on SCAD property must register the vehicle. Student parking permits are free and validated for the academic year (fall through spring).

For more information about parking services, visit scad.edu/park or call 912.525.PARK (912.525.7275).

SCAD Parking Permits

SCAD parking permits may be obtained at the following locations:

Turner Express Office, 302 W. Boundary St.
Bradley Hall, 115 E. York St.

TRANSPORTATION 912.525.7433

Bee Line Bus Service

SCAD offers free, regularly scheduled bus service between open SCAD buildings and residence halls during academic quarters. This service is available to all registered SCAD students, faculty and staff. Buses can be tracked online or on mobile devices. Expanded service is offered during midterms and finals. Service is offered weekdays (Monday through Thursday) from 7 a.m. to midnight and weekends (Friday through Sunday), 7 a.m. to 11:30 p.m. A late-night shuttle is available Monday through Sunday, midnight to 7 a.m. For more information, visit scad.edu/ride.

Airport, Bus Station and Train Station Transportation

Airport, bus station and train station pickup and drop-off is available to SCAD students for two days prior to the start of each quarter and for the final three days of each quarter, as well as the day of commencement.

Shopping Route

The Bee Line offers a weekend shopping shuttle between residence halls and stops that include Target, Best Buy, Staples, Home Depot, Oglethorpe Mall, bowling lanes and movie theaters.

BICYCLES

Students are encouraged to use bicycles for transportation at SCAD Savannah and may register them at the SCAD security office, 345 Bull St. A listing of SCAD bike rack locations is available at scad.edu/park. Bicycles are governed by the same traffic regulations as motorized vehicles, and riding on sidewalks or through squares and parks is prohibited.

MICROFRIDGE RENTAL PROGRAM

Students residing in D at The Hive, Oglethorpe House, Montgomery House, Turner Annex, Turner House and W at The Hive can rent a MicroFridge unit through Collegiate Concepts. MicroFridge units are combination appliances that function as both refrigerators and microwaves to reduce energy consumption. Students can rent a unit online, which will be delivered to their room prior to their arrival in September and picked up after their departure at the end of spring quarter. Rental costs for the 2013-14 academic year are US\$199 for a used unit or US\$259 for a new unit. Online ordering is available beginning April 1 at collegefridge.com/scad. Orders should be placed by mid-August in order to guarantee delivery by September opening.

MAIL SERVICES

Upon assignment to a residence hall, each student receives an individual postal box for general mail. Mailbox keys and assignments are distributed during orientation. For more information about mailbox assignments or key distribution, call 912.525.7296.

Students may receive packages or overnight deliveries at student postal services, located at The Hive, 231 W. Boundary St., Savannah, GA 31401. Students are notified electronically at their SCAD student email address when packages arrive. Pickup hours are posted each quarter. The general number is 912.525.7296.

Mail should be addressed as follows:

Student Full Name
SCAD Savannah, Residence Hall, Box Number

Savannah Students:

SCAD Savannah, student accounts office
P.O. Box 2701, Savannah, GA 31402-2701 USA

The housing reservation fee may be paid as soon as the student is admitted to SCAD. The deadline to submit the housing reservation fee for fall is June 1. For students who plan to enroll in winter, spring or summer quarters, a fee schedule is available online at scad.edu/fees.

HOUSING LICENSE AGREEMENT

The housing license agreement is a binding agreement for the entire academic year that outlines residence life and housing policies and procedures regarding behavior, room care and condition. The housing license agreement is renewed annually while a student resides in SCAD housing. Students may be assessed damage fees based on the condition of their room after they leave. When selecting housing preferences, students must read all terms and conditions of the agreement carefully and then agree to the form by following the steps as indicated online.

HOUSING ASSIGNMENTS

Students are assigned to housing based on the date the reservation fee is received in the student accounts office, provided the quarterly housing payment is made by Aug. 1 and the housing license agreement has been submitted. Although the reservation fee is due June 1, many students choose to pay it at the same time as the enrollment fee, which is due May 1. Housing assignments for students entering fall quarter are made in the summer. Once assignments are made, students are notified by SCAD email. At that time, assignments and roommate information are available through MySCAD, the university's intranet.

HOUSING PREFERENCES

Once students pay the enrollment fee, the admission department provides login information for MySCAD. Students who have paid the housing reservation fee may indicate preferences online through MySCAD at myscad.scad.edu. For more information, see the user guide to online housing preferences in this booklet.

ROOMMATE REQUESTS

Roommate requests must be mutual. Students who wish to room together must specifically request one another when selecting housing preferences online in MySCAD. All roommate requests are considered during the assignment process but are not guaranteed. If a roommate request is not mutual, the assignment is not granted.

User Guide to Online Housing Preferences

Once students pay the enrollment fee, the admission department provides login information to the MySCAD intranet. New entering students who have paid the housing reservation fee may indicate preferences online by visiting MySCAD at myscad.scad.edu. Students are notified of their assignments approximately one month prior to the first day of the quarter. If you have any questions regarding the housing process, contact residence life and housing in Atlanta (atreslife@scad.edu or 404.253.3200), Hong Kong (reslife-hk@scad.edu or 852.2253.8047) or Savannah (savreslife@scad.edu or 912.525.7000).

New incoming students should use the following instructions to complete the online housing application process.

1. Sign on to MySCAD with your nine-digit ID and password. If you do not have your login information, contact the admission office in Atlanta (877.722.3285 or 404.253.2700), Hong Kong (800.869.7223 or 852.2253.8000) or Savannah (800.869.7223 or 912.525.5100).
2. Select the Residence Life and Housing tab near the top of the screen.
3. Locate the housing application link under the My Residence Life and Housing channel.
4. You will be directed to the application screen. Select the appropriate application for the quarter in which you are entering. Click the Next button.
5. Read the information regarding the housing license agreement. You are encouraged to print this page for your records.
6. As you read each section, type your initials in the box after each section. Students are responsible for reading the license agreement in its entirety prior to agreeing to it.
7. Once you have read each section and typed your initials in the appropriate boxes, click the button next to "I agree" at the bottom of the page. (By selecting "I agree," you are agreeing to the SCAD housing license agreement for the period of time outlined in the agreement.)
8. Click the Next button.
9. Next you will submit your personal preferences. The preferences indicated are used to determine hall placement, roommate selection and other factors. It is very important for students to answer these questions honestly and completely when selecting housing preferences. Click "Continue" when you are finished.
10. Finally, you will be asked to enter your living preferences, which are used to determine hall placement based on the spaces currently available. Select a choice number. You must select a number that has not already been used. If you wish to change a previous selection you should first remove it before adding a new one.
11. Select specific hall for request.
12. Select a hall from the new dropdown menu that appears. Click "Add Request." To add additional preferences, repeat steps 10-12. You may indicate up to three preferences.
13. Click "Complete Application" when you are finished.
14. A confirmation page will be displayed signifying that you have completed the application process. You will also receive an immediate confirmation email to your SCAD email account verifying your application, along with a copy of the license agreement.
15. Students who are under 18 years of age at the time of completing the housing application or considered an international student by SCAD should turn in a hard copy of the housing license agreement signed by the student and a parent/guardian. This signed hard copy should be faxed or mailed to residence life and housing prior to arriving to check-in: 404.253.3273 or 1600 Peachtree St., Atlanta, GA 30309 for Atlanta students; 852.2253.8066 or 292 Tai Po Road, Sham Shui Po, Kowloon, Hong Kong for Hong Kong students; or 912.525.7012 or P.O. Box 3146, Savannah, GA 31402 for Savannah students.
16. Log out of MySCAD and close the browser window.

SUBMITTING ROOMMATE REQUESTS

All students who have a specific roommate request are required to submit it online. All roommate requests must be mutual in order for your request to be considered. Roommate requests may be submitted online beginning in early March.

1. Sign on to MySCAD with your nine-digit ID and password.
2. Select the Residence Life and Housing tab near the top of the screen.
3. Locate the MyHousing link under the My Residence Life and Housing channel.
4. Click on "Room Selection" on the left side of the page.
5. A submenu will appear to the right. Click on "Roommate Selection."
6. Type in the student's last name or ID number. If the person you wish to request as a roommate does not appear, he/she may not have paid the housing reservation fee yet. You may add up to three roommate preferences. Click "Request Student as Roommate" after each name.
7. Each roommate must follow the same procedures to ensure it is a mutual request. Non-mutual requests will not be honored.
8. If "Does not Match" appears next to your requested roommate's name, that student has not completed the roommate request. Contact your requested roommate and encourage him/her to complete this information.
9. On this same page you may remind your requested roommate to also request you by clicking "Remind" next to his/her name if "Does not Match" is listed by his or her name. This will send an automatic email to your requested roommate to log in and complete the process.
10. If "Match" appears next to your requested roommate's name, you and your requested roommate have submitted your request.
11. Click on the Home/Overview link to review your roommate preferences. You and your requested roommate(s) will receive a confirmation email verifying your request.
12. Log out of MySCAD and close the browser window.

Living in SCAD Housing

RESIDENCE LIFE AND HOUSING STAFF

A professional residence life and housing staff works year-round to help residents maintain a positive living and learning environment. They also assist with the implementation of residence life and housing policies and procedures. Students and parents are welcome to contact the residence directors or other residence life and housing staff with any concerns or questions.

PAYMENT AND ROOM ASSIGNMENT

Housing Guidelines

New students are assigned to housing based on the date their reservation fee is received in the student accounts office. Financial aid, scholarships or other funds may not be available in time to meet the quarterly housing payment deadline. If the authorized financial aid does not cover the balance, or if it is not available by the housing balance deadline, the housing payment must be paid out of pocket. Financial aid authorization may be determined by visiting MySCAD. Select the My Info tab and click “My Award Information” under the My Financial Aid channel. If aid has been authorized, be sure to confirm the aid is sufficient to cover housing, as all aid is applied first toward tuition. Students who have to pay out of pocket to ensure payment by the housing balance due date may be eligible for a refund once the aid disburses after the drop/add period of the term. Students must adhere to residence life and housing deadlines to ensure a housing assignment.

Late Applicants/Fees

Students who do not make housing payments by the posted deadline forfeit their housing assignment. Housing is subject to availability.

PRIVATE ROOMS

Due to the high demand for housing, private rooms generally are not available. Students with medical needs who may require a private room or other specific housing assignment should indicate their needs on the housing application and must provide a letter from a licensed physician certifying any condition that requires specific provisions or necessitates special consideration. The physician’s letter should be submitted to the office of counseling and student support services at SCAD for review by June 1 for fall and six weeks prior to the start of every other quarter. SCAD reviews all requests and notifies students once a decision is made. For more information, call counseling and student support services at 404.253.3304 (Atlanta), 853.2253.8000 (Hong Kong) or 912.525.6971 (Savannah); or residence life and housing at 404.253.3200 (Atlanta), 852.2253.8047 (Hong Kong) or 912.525.7000 (Savannah).

GRADUATE STUDENT HOUSING

Limited housing is reserved for graduate students on a first-come, first-served basis. For more information, call residence life and housing at 404.253.3200 or atreslife@scad.edu (Atlanta), 852.2253.8047 or reslife-hk@scad.edu (Hong Kong) or 912.525.7000 or savreslife@scad.edu (Savannah).

INFORMATION TECHNOLOGY

The information management and technology department provides computer support to SCAD, and is responsible for the development and implementation of SCAD management information systems. The technology policy is published in its entirety in the student handbook, which may be found in MySCAD under the Resources tab. Access to the Internet and email is provided to SCAD students through this department.

A data port is provided for each student in each residence hall room. For Alice House, one modem is provided per bedroom, and for Pulaski House, one modem is provided per apartment. For Hong Kong Gold Coast Residences, each student is provided a modem and router. Residents must furnish their own Ethernet cable for connection purposes. A limited number of routers (non-wireless) are available for students in Pulaski House to check out. For more information about Internet access in the residence halls, contact the Technology Support Center at 912.525.4567 or email techsupport@scad.edu.

PHONE SERVICE

Each SCAD residence hall room or apartment (except Alice House, Montgomery House and The Terrace) has one phone line with local phone service. Phones, answering machines/voice mail and long distance service are not provided, except in Hong Kong Gold Coast Residences where phones are provided.

Housing Policies

ROOM CHANGES

Students living in residence halls may request room changes through MySCAD beginning the first business day of week two after the start of the quarter. Mediation and/or a meeting with the residence director may be required before the room change is approved. Room change requests are granted based on availability and may be limited during the final two weeks of each quarter. If a student changes rooms before executing the proper paperwork, a fee may be assessed, the move may be denied and/or a student conduct hearing may be required.

ROOM CONSOLIDATION

Due to the high demand for student housing, SCAD reserves the right to consolidate spaces to accommodate the housing needs of all students requesting housing. If consolidation is necessary, residence life and housing staff members will provide necessary information, including the date of the move, the new location and the name of the student’s new roommate(s).

COMMON BILLING

If damage occurs in common areas such as lounges and hallways and the responsible parties are not identified, all residents of the wing, floor or hall are normally billed for the cost of repairs and/or replacement of damaged items. The residence director works with the students and staff to determine, if possible, who is responsible for the damage. If the bill is to be divided among residents, the staff notifies those residents of the cost per person.

BREAK CLOSINGS AND STORAGE

Residence hall rooms are occupied and vacated according to schedules published by the office of residence life and housing. During winter break, all residence halls are closed and occupancy is limited. The academic calendar lists annual dates of winter break. Students may leave their belongings in their rooms; however, they are encouraged to take their valuables home. Dining halls are closed and SCAD transportation is unavailable during the winter break. The halls remain open during spring break, but overnight guests are not permitted. Move-out dates fall at the end of the academic year in May and at the end of the summer quarter in August. On-campus storage space is not available to students.

Nine-month continuous housing is offered on a limited basis for students who need housing during nine continuous months (September-May). This option is only available for continuing, graduate and transfer students living in upperclassmen housing and is not transferable to other students. The option must be selected as a condition to live in a designated area of the selected building; students may not choose this option after assignments have been made. Students who are interested in this option or who would like more information should email the residence life and housing office at their location: Atlanta at atreslife@scad.edu, Hong Kong at reslife-hk@scad.edu or Savannah at savreslife@scad.edu.

PERSONAL PROPERTY INSURANCE

As with any housing rental agreement relationship, students and their parents are strongly encouraged to purchase insurance against loss or damage of personal property. SCAD is not responsible for the loss or damage of personal property in student rooms. For more information, see the housing license agreement.

MAINTENANCE AND HOUSEKEEPING

Students are responsible for maintaining the cleanliness of their own rooms and bathrooms. Gold Coast Management provides weekly housekeeping services to individual apartments for students in Hong Kong. The university maintenance and housekeeping staff provides a variety of functions to help maintain a clean, safe and comfortable environment for students living at SCAD. The staff is responsible for the general maintenance and cleanliness of the hallways and common areas of the residence halls.

PETS

Pets are not permitted in any residence hall. Freshwater, non-flesh-eating fish and approved service animals are the only exceptions to this policy. However, fish must be kept in a properly maintained aquarium of 10 gallons or fewer.

QUIET HOURS

Strict quiet hours are in effect 9 p.m. to 8 a.m. daily and 24 hours a day during midterms and finals weeks. In addition, courtesy hours are in effect 24 hours a day, every day. Residents are expected to show consideration for others by minimizing excessive noise.

SMOKE-FREE ENVIRONMENT

Smoking is prohibited in all SCAD buildings and throughout residence halls, including rooms, courtyards and pool areas.

DRUG AND ALCOHOL POLICY

The Savannah College of Art and Design is in full compliance with the Drug-Free Schools and Communities Act Amendment of 1989 (Public Law 101-226), 49 Code of Federal Regulations, Part 40: Procedures for Workplace Drug and Alcohol Testing; 49 Code of Federal Regulations, Part 382: Controlled Substances and Alcohol Use and Testing and the Omnibus Transportation Employee Testing Act of 1991 and is committed to a program that discourages the illegal use and abuse of alcohol and controlled substances by students and employees. In addition, the possession and consumption of alcohol on campus is not permitted, regardless of age.

SCAD prohibits the unlawful possession, use, manufacture, distribution or dispensing of alcohol or controlled substances by students or employees in college buildings, on grounds or property, or as part of any college activity. Any full- or part-time student or employee found to be in violation of said policy is subject to disciplinary action in accordance with the policies and laws of the college, the city of Atlanta or Savannah, the state of Georgia, the government of Hong Kong and the U.S. federal government.

APPLIANCES

Prohibited appliances include, but are not limited to, sun/heat lamps, heaters, toaster ovens, individual microwave ovens and hot plates. For D at The Hive, Montgomery House, Oglethorpe House, Turner House, Turner Annex and W at The Hive, microwaves are permitted as part of the MicroFridge rental program through Collegiate Concepts and may not exceed the maximum number of units in the room. Microwaves are provided in individual apartments in Alice House, Barnard Village, Boundary Village, Forsyth House, Hong Kong Gold Coast Residences, Pulaski House and The Terrace. Microwaves are permitted in ACA House and Spring House. To accommodate multiple appliances, students in all residence hall facilities are allowed one 6-foot surge protected extension strip per student. Appliances permitted in residence hall rooms include personal computers, radios, fans, electric blankets, clocks, blow-dryers, stereos, televisions, DVD players, video game consoles, coffee makers with automatic shut-off and compact refrigerators up to 4.4 cubic feet.

VISITATION POLICY

Visitation hours in the residence halls are 9–2 a.m., seven days a week. Residents are responsible for their guests’ behavior. All guests must be escorted out of the residence halls by the end of visitation hours.

OVERNIGHT GUESTS

Overnight guests (same sex) may stay a maximum of three consecutive nights and may not return for an overnight stay for at least five days thereafter. Students must obtain an approved overnight guest pass prior to their guest’s arrival. The pass must be signed and turned in to the residence life and housing office a minimum of 24 hours in advance. The form must be submitted during regular office hours. Overnight guests are not permitted during winter or spring breaks.

Meal Plan A ATLANTA AND S SAVANNAH

SCAD offers several dining options to suit students' schedules and lifestyles. Meal plans may be purchased by the quarter, and services are accessed through use of the SCAD Card. Meal plans are not available in Hong Kong Gold Coast Residences.

RESIDENTIAL MEAL PLANS

Four full-residential meal plans offer a designated number of meals per week or quarter, as well as a variable amount of flexible spending credit (Dining Dollars) to be used at SCAD eateries of the student's choice. **Students residing in D at The Hive, Montgomery House, Oglethorpe House, Spring House, Turner House, Turner Annex or W at The Hive must choose from plans A–D.** A meal plan is optional for students living in ACA House, Alice House, Barnard Village, Boundary Village, Forsyth House, Pulaski House or The Terrace.
