

2017–2018 Student Injury and Sickness Insurance Plan for Savannah College of Art & Design (International)

Who is eligible to enroll?

All International students are automatically enrolled in this insurance plan at registration.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age.

The student (Named Insured, as defined in this Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - a. On the date the Named Insured acquires a legal spouse.
 - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of this Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

Dependent Enrollment

Students interested in enrolling their eligible dependent(s) should fill out the dependent enrollment form provided to SCAD from Gallagher Student Health & Special risk and email enrollmentteam@gallagherstudent.com. Dependent coverage is in addition to the fee for your individual student coverage. The Effective Date for an Insured's eligible dependent(s) enrolled with an Insured is the Insured's Effective Date provided the required premium for the dependent(s) is received by the enrollment deadline. Dependent Enrollment Forms will not be accepted after the deadline. The deadline to add eligible dependents due to a qualifying event (i.e. birth or marriage), is 31 days from the qualifying event in order to avoid a break in continuous coverage. If the Qualifying Event deadline is not met, the effective date will date on the online Dependent Enrollment Form is submitted.

This service is meant to compliment your Student Health Center. If possible, we encourage you to visit your SHC first before using this service.

HealthiestYou is not health insurance. HealthiestYou is designed to complement, and not replace, the care you receive from your primary care physician. HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Not available in Arkansas; limited services in Idaho and Texas.

*If you are an Insured under this insurance Plan, and you call prior to the plan effective date, you will be charged a \$40 service fee before being connected to a board-certified physician.
