

# Verification Worksheet for Child Support Paid 2013-14

Your 2013-14 FAFSA (Free Application for Federal Student Aid) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents (or spouse, if applicable) reported on the FAFSA. To verify that you provided correct information, a financial aid administrator will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and your parent (or spouse, if applicable) must complete and sign this worksheet. You may be asked for additional information, which should be promptly submitted to avoid a delay in processing your financial aid.
