We believe we maintain appropriate physical, electronic and procedural safeguards to ensure the security of your nonpublic personal information. Eligibility

All International students are automatically enrolled in this insurance Plan at registration, unless proof of comparable coverage is furnished.

Accident coverage for Intercollegiate Sports injuries is available provided under a separate policy number 2015-202924-8. Contact the company at 1-866-948-8472 for information on the Intercollegiate Sports plan. Plan information is also available at www.uhcsr.com.

Students must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the Eligibility requirements that the student actively attend classes. The Company maintains its right to investigate Eligibility or student status and attendance records to verify that the policy Eligibility requirements have been met. If the Company discovers the Eligibility requirements have not been met, its only obligation is to refund premium.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student’s legal spouse and dependent children under 26 years of age.

Dependent Eligibility expires concurrently with that of the Insured student.

Effective and Termination Dates

The Master Policy on file at the school becomes effective at 12:01 a.m., August 15, 2015. The individual student’s coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates at 11:59 p.m., September 14, 2016. Coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Dependent coverage will not be effective prior to that of the Insured student or extend beyond that of the Insured student.

Refunds of premiums are allowed only upon entry into the armed forces.

The Policy is a Non-Renewable One Year Term Policy.

Dependent Enrollment

Students interested in enrolling their eligible dependent(s) should fill out the dependent enrollment form provided to SCAD from Gallagher Student Health & Special risk and email enrollmentteam@gallagherstudent.com. Dependent coverage is in addition to the fee for your individual student coverage. The Effective Date for an Insured’s eligible dependent(s) enrolled with an Insured is the Insured’s Effective Date provided the required premium for the dependent(s) is received by the enrollment deadline. Dependent Enrollment Forms will not be accepted after the deadline. The deadline to add eligible dependents due to a qualifying event (i.e. birth or marriage), is 31 days from the qualifying event in order to avoid a break in continuous coverage. If the Qualifying Event deadline is not met, the effective date will date on the online Dependent Enrollment Form is submitted.
Extension of Benefits after Termination

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured is Hospital Confined on the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed 90 days after the Termination Date.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit.

After this "Extension of Benefits" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

Pre-Admission Notification

UnitedHealthcare should be notified of all Hospital Confinements prior to admission.

1. PRE-NOTIFICATION OF MEDICAL NON-EMERGENCY HOSPITALIZATIONS: The patient, Physician or Hospital should telephone 1-877-295-0720 at least five working days prior to the planned admission.

2. NOTIFICATION OF MEDICAL EMERGENCY ADMISSIONS: The patient, patient's representative, Physician or Hospital should telephone 1-877-295-0720 within two working days of the admission to provide notification of any admission due to Medical Emergency.

UnitedHealthcare is open for Pre-Admission Notification calls from 8:00 a.m. to 6:00 p.m. C.S.T., Monday through Friday. Calls may be left on the Customer Service Department’s voice mail after hours by calling 1-877-295-0720.

IMPORTANT: Failure to follow the notification procedures will not affect benefits otherwise payable under the policy; however, pre-notification is not a guarantee that benefits will be paid.
Preferred Provider Information

“Preferred Providers” are the Physicians, Hospitals and other health care providers who have contracted to provide specific medical care at negotiated prices. Preferred Providers in the local school area are:

UnitedHealthcare Options PPO.

The availability of specific providers is subject to change without notice. Insureds should always confirm that a Preferred Provider is participating at the time services are required by calling the Company at 1-866-948-8472 and/or by asking the provider when making an appointment for services.

“Preferred Allowance” means the amount a Preferred Provider will accept as payment in full for Covered Medical Expenses.

“Out-of-Network” providers have not agreed to any prearranged fee schedules. Insureds may incur significant out-of-pocket expenses with these providers. Charges in excess of the insurance payment are the Insured’s responsibility.

Regardless of the provider, each Insured is responsible for the payment of their Deductible. The Deductible must be satisfied before benefits are paid. The Company will pay according to the benefit limits in the Schedule of Benefits.

Inpatient Expenses

PREFERRED PROVIDERS – Eligible Inpatient expenses at a Preferred Provider will be paid at the Coinsurance percentages specified in the Schedule of Benefits, up to any limits specified in the Schedule of Benefits. Preferred Hospitals include UnitedHealthcare Options PPO United Behavioral Health (UBH) facilities. Call 1-866-948-8472 for information about Preferred Hospitals.

OUT-OF-NETWORK PROVIDERS - If Inpatient care is not provided at a Preferred Provider, eligible Inpatient expenses will be paid according to the benefit limits in the Schedule of Benefits.

Outpatient Hospital Expenses

Preferred Providers may discount bills for outpatient Hospital expenses. Benefits are paid according to the Schedule of Benefits. Insureds are responsible for any amounts that exceed the benefits shown in the Schedule, up to the Preferred Allowance.

Professional & Other Expenses

Benefits for Covered Medical Expenses provided by UnitedHealthcare Options PPO will be paid at the Coinsurance percentages specified in the Schedule of Benefits or up to any limits specified in the Schedule of Benefits. All other providers will be paid according to the benefit limits in the Schedule of Benefits.

The Preferred Provider for this plan is UnitedHealthcare Options PPO.

If care is received from a Preferred Provider any Covered Medical Expenses will be paid at the Preferred Provider level of benefits. If the Covered Medical Expense is incurred for Emergency Services when due to a Medical Emergency, benefits will be paid at the Preferred Provider level of benefits. Covered Medical Expense incurred at a Preferred Provider facility by an Out-of-Network Provider will be paid at the Preferred Provider level of benefits. If the policy provides Prescription Drug or Dental Treatment Preferred Provider benefits, Covered Medical Expenses incurred at an Out-of-Network provider for Prescription Drug or Dental Treatment will be paid at the Preferred Provider level of benefits. In all other situations, reduced or lower benefits will be provided when an Out-of-Network provider is used.

The Policy provides benefits for the Covered Medical Expenses incurred by an Insured Person for loss due to a covered Injury or Sickness.

Out-of-Pocket Maximum: After the Out-of-Pocket Maximum has been satisfied, Covered Medical Expenses will be paid at 100% for the remainder of the Policy Year subject to any benefit maximums or limits that may apply. Separate Out-of-Pocket Maximums apply to Preferred Provider and Out-of-Network benefits. Any applicable Copays or Deductibles will be applied to the Out-of-Pocket Maximum. Services that are not Covered Medical Expenses and the amount benefits are reduced for failing to comply with policy provisions or requirements do not count toward meeting the Out-of-Pocket Maximum.

The Deductible will be waived for Covered Medical Expenses incurred when treatment is first rendered at Family Medical Associates Historic District.

UnitedHealthcare Pharmacy (UHCP) is the vendor the company contracts with to provide a network of pharmacies.

Benefits are calculated on a Policy Year basis unless otherwise specifically stated. When benefit limits apply, benefits will be paid up to the maximum benefit for each service as scheduled below. All benefit maximums are combined Preferred Provider and Out-of-Network unless otherwise specifically stated. Please refer to the Medical Expense Benefits – Injury and Sickness section for a description of the Covered Medical Expenses for which benefits are available. Covered Medical Expenses include:

UnitedHealthcare Network Pharmacy and Out-of Network Benefits

Benefits are available for outpatient Prescription Drugs on our Prescription Drug List (PDL) when dispensed by a UnitedHealthcare Pharmacy. Benefits are subject to supply limits and Coinsurance that vary depending on which tier of the PDL the outpatient drug is listed. There are certain Prescription Drugs that require your Physician to notify us to verify their use is covered within your benefit.

You are responsible for paying the applicable Coinsurance. Your Coinsurance is determined by the tier to which the Prescription Drug Product is assigned on the PDL. Tier status may change periodically and without prior notice to you. Please access www.uhcsr.com or call 1-855-828-7716 for the most up-to-date tier status.

20% Coinsurance per prescription order or refill for a Prescription Drug up to a 31 day supply

Specialty Prescription Drugs – if you require Specialty Prescription Drugs, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Specialty Prescription Drugs. If you choose not to obtain your Specialty Prescription Drug from a Designated Pharmacy, you will be responsible for the entire cost of the Prescription Drug.

Designated Pharmacies – if you require certain Prescription Drugs including, but not limited to, Specialty Prescription Drugs, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drugs. If you choose not to obtain these Prescription Drugs from a Designated Pharmacy, you will be responsible for the entire cost of the Prescription Drug.

Please present your ID card to the network pharmacy when the prescription is filled.

If you do not present the card, you will need to pay for the prescription and then submit a reimbursement form for prescriptions filled at a network pharmacy along with the paid receipt in order to be reimbursed. To obtain reimbursement forms, or for information about mail-order prescriptions or network pharmacies, please visit www.uhcsr.com and log in to your online account or call 1-855-828-7716.

For the purpose of the benefits under the policy, this definition includes insulin.

Custodial Care, respite care, day care, therapeutic recreation, vocational training and residential treatment are not habilitative services. A service that does not help the Insured person to meet functional goals in a treatment plan within a prescribed time frame is not a habilitative service. When the Insured Person reaches his/her maximum level of improvement or does not demonstrate continued progress under a treatment plan, a service that was previously habilitative is no longer habilitative.

HOSPITAL means a licensed or properly accredited general hospital which: 1) is open at all times; 2) is operated primarily and continuously for the treatment of and surgery for sick and injured persons as inpatients; 3) is under the supervision of a staff of one or more legally qualified Physicians available at all times; 4) continuously provides on the premises 24 hour nursing services; 5) provides organized facilities for diagnosis and major surgery on the premises; and 6) is not primarily a clinic, nursing, rest or convalescent home, or an institution specializing in or primarily treating Mental Illness.

Covered Medical Expenses incurred as a result of an injury that occurred prior to this policy’s Effective Date will be considered a Sickness under this policy.

**INPATIENT** means an uninterrupted confinement that follows formal admission to a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility by reason of an Injury or Sickness for which benefits are payable under this policy.

Such facility must be separate and apart from the surgical recovery room and from rooms, beds and wards customarily used for patient confinement. They must be: 1) permanently equipped with special life-saving equipment for the care of the critically ill or injured; and 2) under constant and continuous observation by nursing staff assigned on a full-time basis, exclusively to the intensive care unit. Intensive care does not mean any of these step-down units:

2) Provided for the diagnosis, or the direct care and treatment of the Sickness or Injury.
3) In accordance with the standards of good medical practice.
4) Not primarily for the convenience of the Insured, or the Insured's Physician.
5) The most appropriate supply or level of service which can safely be provided to the Insured.
The Medical Necessity of being confined as an Inpatient means that both:

1) The Insured requires acute care as a bed patient.
2) The Insured cannot receive safe and adequate care as an outpatient.

This policy only provides payment for services, procedures and supplies which are a Medical Necessity. No benefits will be paid for expenses which are determined not to be a Medical Necessity, including any or all days of Inpatient confinement.

MENTAL ILLNESS means a Sickness that is a mental, emotional or behavioral disorder listed in the mental health or psychiatric diagnostic categories in the current Diagnostic and Statistical Manual of the American Psychiatric Association. NEWBORN INFANT means any child born of an Insured while that person is insured under this policy. Newborn Infants will be covered under the policy for the first 31 days after birth. A newly born child of the Insured shall include an adopted child. The coverage for the adopted child will be effective from the date of placement for adoption or final decree of adoption, whichever occurs first. Coverage for such a child will be for Injury or Sickness, including medically diagnosed congenital defects, birth abnormalities, prematurity and nursery care; benefits will be the same as for the Insured Person who is the child’s parent.

The Insured will have the right to continue such coverage for the child beyond the first 31 days. To continue the coverage the Insured must, within the 31 days after the child’s birth: 1) apply to us; and 2) pay the required additional premium, if any, for the continued coverage. If the Insured does not use this right as stated here, all coverage as to that child will terminate at the end of the first 31 days after the child’s birth.

If not excluded or defined elsewhere in the policy, all alcoholism and substance use disorders are considered one Sickness.

NurseLine and Student Assistance

Insureds have immediate access to nurse advice, a health information library, and counseling support 24 hours a day by calling the toll-free number listed on their medical ID card. NurseLine is staffed by both English and Spanish speaking Registered Nurses who can provide health information, support, and guidance on when to seek medical care. The Student Assistance Program coordinates services using a network of resources. Services available include financial and legal advice, as well as mediation. Counseling is also available by Licensed Clinicians who can provide insureds with someone to talk to when everyday issues become overwhelming. Translation services are available in over 170 languages for most services. Insureds also have access to LiveAndWorkWell.com where they can take health risk assessments, use health estimators to calculate things like their target heart rate and BMI, and participate in personalized self-help programs. More information about these services is available by logging into My Account at www.uhcsr.com/MyAccount.
Online Access to Account Information

UnitedHealthcare Student Resources Insureds have online access to claims status, EOBs, ID Cards, correspondence and coverage information by logging in to My Account at www.uhcsr.com/myaccount. Insured students who don’t already have an online account may simply select the “create My Account Now” link. Follow the simple, onscreen directions to establish an online account in minutes using your 7-digit Insurance ID number or the email address on file.

As part of UnitedHealthcare Student Resources’ environmental commitment to reducing waste, we’ve adopted a number of initiatives designed to preserve our precious resources while also protecting the security of a student’s personal health information.

My Account now includes Message Center - a self-service tool that provides a quick and easy way to view any email notifications we may have sent. In Message Center, notifications are securely sent directly to the Insured student’s email address. If the Insured student prefers to receive paper copies, he or she may opt-out of electronic delivery by going into My Email Preferences and making the change there.

ID Cards

One way we are becoming greener is to no longer automatically mail out ID Cards. Instead, we will send an email notification when the digital ID card is available to be downloaded from My Account. An Insured student may also use My Account to request delivery of a permanent ID card through the mail.

UnitedHealth Allies

Insured students also have access to the UnitedHealth Allies® discount program. Simply log in to My Account as described above and select UnitedHealth Allies Plan to learn more about the discounts available. When the Medical ID card is viewed or printed, the UnitedHealth Allies card is also included. The UnitedHealth Allies Program is not insurance and is offered by UnitedHealth Allies, a UnitedHealth Group company.

Pediatric Dental Services Benefits

Benefits are provided for Covered Dental Services for Insured Persons under the age of 19. Benefits terminate on the earlier of: 1) date the Insured Person reaches the age of 19; or 2) the date the Insured Person's coverage under the policy terminates.

Section 1: Accessing Pediatric Dental Services

Network and Non-Network Benefits

Network Benefits apply when the Insured Person chooses to obtain Covered Dental Services from a Network Dental Provider. Insured Persons generally are required to pay less to the Network Dental Provider than they would pay for services from a non-Network provider. Network Benefits are determined based on the contracted fee for each Covered Dental Service. In no event, will the Insured Person be required to pay a Network Dental Provider an amount for a Covered Dental Service in excess of the contracted fee.

In order for Covered Dental Services to be paid as Network Benefits, the Insured must obtain all Covered Dental Services directly from or through a Network Dental Provider.

Insured Persons must always verify the participation status of a provider prior to seeking services. From time to time, the participation status of a provider may change. Participation status can be verified by calling the Company and/or the provider. If necessary, the Company can provide assistance in referring the Insured Person to a Network Dental Provider.

The Company will make a Directory of Network Dental Providers available to the Insured Person. The Insured Person can also call Customer Service at 1-877-816-3596 to determine which providers participate in the Network. The telephone number for Customer Service is also on the Insured's ID card.

Non-Network Benefits apply when Covered Dental Services are obtained from non-Network Dental Providers. Insured Persons generally are required to pay more to the provider than for Network Benefits. Non-Network Benefits are determined based on the Usual and Customary Fee for similarly situated Network Dental Providers for each Covered Dental Service. The actual charge made by a non-Network Dental Provider for a Covered Dental Service may exceed the Usual and Customary Fee. As a result, an Insured Person may be required to pay a non-Network Dental Provider an amount for a Covered Dental Service in excess of the Usual and Customary Fee. In addition, when Covered Dental Services are obtained from non-Network Dental Providers, the Insured must file a claim with the Company to be reimbursed for Eligible Dental Expenses.

Covered Dental Services

Benefits are eligible for Covered Dental Services if such Dental Services are Necessary and are provided by or under the direction of a Network Dental Provider.

Benefits are available only for Necessary Dental Services. The fact that a Dental Provider has performed or prescribed a procedure or treatment, or the fact that it may be the only available treatment for a dental disease, does not mean that the procedure or treatment is a Covered Dental Service.

Pre-Treatment Estimate

If the charge for a Dental Service is expected to exceed $300 or if a dental exam reveals the need for fixed bridgework, the Insured Person may receive a pre-treatment estimate. To receive a pre-treatment estimate, the Insured Person or Dental Provider should send a notice to the Company, via claim form, within 20 calendar days of the exam. If requested, the Dental Provider must provide the Company with dental x-rays, study models or other information necessary to evaluate the treatment plan for purposes of benefit determination.

The Company will determine if the proposed treatment is a Covered Dental Service and will estimate the amount of payment. The estimate of benefits payable will be sent to the Dental Provider and will be subject to all terms, conditions and provisions of the policy.

A pre-treatment estimate of benefits is not an agreement to pay for expenses. This procedure lets the Insured Person know in advance approximately what portion of the expenses will be considered for payment.
Pre-Authorization
Pre-authorization is required for all orthodontic services. The Insured Person should speak to the Dental Provider about obtaining a pre-authorization before Dental Services are rendered. If the Insured Person does not obtain a pre-authorization, the Company has a right to deny the claim for failure to comply with this requirement.

If a treatment plan is not submitted, the Insured Person will be responsible for payment of any dental treatment not approved by the Company. Clinical situations that can be effectively treated by a less costly, clinically acceptable alternative procedure will be assigned a Benefit based on the less costly procedure.

Section 2: Benefits for Pediatric Dental Services
Benefits are provided for the Dental Services stated in this Section when such services are:
A. Necessary.
B. Provided by or under the direction of a Dental Provider.
C. Clinical situations that can be effectively treated by a less costly, dental appropriate alternative procedure will be assigned a Benefit based on the least costly procedure.
D. Not excluded as described in Section 3: Pediatric Dental Services exclusions.

Dental Services Deductible
Benefits for pediatric Dental Services are not subject to the policy Deductible stated in the policy Schedule of Benefits. Instead, benefits for pediatric Dental Services are subject to a separate Dental Services Deductible. For any combination of Network and Non-Network Benefits, the Dental Services Deductible per Policy Year is $500 per Insured Person.

Benefits
When Benefit limits apply, the limit stated refers to any combination of Network Benefits and Non-Network Benefits unless otherwise specifically stated. Benefit limits are calculated on a Policy Year basis unless otherwise specifically stated.

Section 5: Defined Terms for Pediatric Dental Services

The following definitions are in addition to the policy DEFINITIONS:

Covered Dental Service – a Dental Service or Dental Procedure for which benefits are provided under this endorsement.

Dental Emergency - a dental condition or symptom resulting from dental disease which arises suddenly and, in the judgment of a reasonable person, requires immediate care and treatment, and such treatment is sought or received within 24 hours of onset.

Dental Provider - any dentist or dental practitioner who is duly licensed and qualified under the law of jurisdiction in which treatment is received to render Dental Services, perform dental surgery or administer anesthetics for dental surgery.

Dental Service or Dental Procedures - dental care or treatment provided by a Dental Provider to the Insured Person while the policy is in effect, provided such care or treatment is recognized by the Company as a generally accepted form of care or treatment according to prevailing standards of dental practice.
Eligible Dental Expenses - Eligible Dental Expenses for Covered Dental Services, incurred while the policy is in effect, are determined as stated below:

- For Network Benefits, when Covered Dental Services are received from Network Dental Providers, Eligible Dental Expenses are the Company's contracted fee(s) for Covered Dental Services with that provider.
- For Non-Network Benefits, when Covered Dental Services are received from Non-Network Dental Providers, Eligible Dental Expenses are the Usual and Customary Fees, as defined below.

Necessary - Dental Services and supplies which are determined by the Company through case-by-case assessments of care based on accepted dental practices to be appropriate and are all of the following:

- Necessary to meet the basic dental needs of the Insured Person.
- Rendered in the most cost-efficient manner and type of setting appropriate for the delivery of the Dental Service.
- Consistent in type, frequency and duration of treatment with scientifically based guidelines of national clinical, research, or health care coverage organizations or governmental agencies that are accepted by the Company.
- Consistent with the diagnosis of the condition.
- Required for reasons other than the convenience of the Insured Person or his or her Dental Provider.
- Demonstrated through prevailing peer-reviewed dental literature to be either:
  - Safe and effective for treating or diagnosing the condition or sickness for which their use is proposed; or
  - Safe with promising efficacy.
    - For treating a life threatening dental disease or condition.
    - Provided in a clinically controlled research setting.
    - Using a specific research protocol that meets standards equivalent to those defined by the National Institutes of Health.

(For the purpose of this definition, the term life threatening is used to describe dental diseases or sicknesses or conditions, which are more likely than not to cause death within one year of the date of the request for treatment.)

The fact that a Dental Provider has performed or prescribed a procedure or treatment or the fact that it may be the only treatment for a particular dental disease does not mean that it is a Necessary Covered Dental Service as defined in this endorsement. The definition of Necessary used in this endorsement relates only to benefits under this endorsement and differs from the way in which a Dental Provider engaged in the practice of dentistry may define necessary.

Usual and Customary Fee - Usual and Customary Fees are calculated by the Company based on available data resources of competitive fees in that geographic area.

Usual and Customary Fees must not exceed the fees that the provider would charge any similarly situated payor for the same services.

Usual and Customary Fees are determined solely in accordance with the Company's reimbursement policy guidelines. The Company's reimbursement policy guidelines are developed by the Company, in its discretion, following evaluation and validation of all provider billings in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (publication of the American Dental Association).
- As reported by generally recognized professionals or publications.
- As utilized for Medicare.
- As determined by medical or dental staff and outside medical or dental consultants.
- Pursuant to other appropriate source or determination that the Company accepts.

The Insured Person may also access a listing of Spectera Eyecare Networks Vision Care Providers on the Internet at www.myuhcvision.com.

When obtaining these Vision Care Services from a Spectera Eyecare Networks Vision Care Provider, the Insured Person will be required to pay any Copayments at the time of service.
