Campus Hazing Transparency Report

Reporting Period: July 1, 2025 – June 30, 2026

Purpose

The Savannah College of Art and Design (SCAD) publishes this Campus Hazing Transparency Report in accordance with the Stop Campus Hazing Act and applicable federal and state requirements. The report provides information regarding student organizations that have been found responsible for violations of SCAD's standards of conduct relating to hazing.

Hazing Findings

During the reporting period of July 1, 2025 through June 30, 2026, SCAD had **no findings of hazing violations by any student organization**. Accordingly, there are no hazing violations to report for this reporting period.

Hazing Prevention and Reporting

SCAD prohibits hazing in any form and maintains a comprehensive, research-informed hazing prevention and awareness program for students, faculty, and staff. Prevention efforts include education regarding the recognition and prevention of hazing, bystander intervention, university policies, and procedures for reporting suspected hazing.

Suspected hazing may be reported to the SCAD Office of Community Standards, SCAD Department of University Safety, or Office of Compliance. Reports may also be submitted anonymously through SCAD's designated reporting mechanisms.

For additional information regarding SCAD's prohibition of hazing, prevention and awareness efforts, reporting procedures, and institutional response, please refer to the SCAD Hazing Policy.

Report Updates and Retention

SCAD will update this report in accordance with the requirements of the Stop Campus Hazing Act. The university will maintain the information contained in the Campus Hazing Transparency Report for at least five calendar years from the date of publication of the most recent update and will retain supporting Clery Act records in accordance with applicable federal record-retention requirements.
